## DETAILED ACTION

### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Misnumbered claims 94 (second)- 131 been renumbered 95-132.

### *Allowable Subject Matter*

2. Claims 55-132 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: the allowability recites at least in part: that the locking means are actuated, on mutually opposite sides, by buttons, each button comprising a first component and a second component which are operatively coupled and are respectively arranged externally and internally with respect to a wall of the cover, the second component having a hook which abuts elastically against a retainer which protrudes rigidly from the body, the hook being disengageable from the retainer in contrast with an elastic means by virtue of a pressure applied by a user on the first component and transmitted to the second component or that the plug is provided with a protrusion which is rigidly fixed to
